

"Everything's Better with a Sandwich"™

I'd been searching for the best sandwich in town when I walked a tall drink of water with a sandwich like no other. I asked her what she was eating. She replied, "It's a Magnum, with Pepperjack Cheese. Cannon-sized, of course." I knew at that moment that I had to have one of those sandwiches. I asked her where she got it. "D & D Deli," she replied, "and it came with chips, a pickle and a cookie." The case of the Hungry Detective was about to be solved.
